WORK EXPERIENCE

Executive Producer | 2023-2025

The Corner Shop

- Managed a roster of commercial directors from initial pitch to final delivery of projects
- Developed and maintained strategic relationships with both client & agency throughout the full lifecycle of a project
- Created prep/production/post budgets ranging from $20,000 to $3,000,000
- Built and managed production workflows coordinating multiple vendors to hit key deadlines and delivery dates
- Well-versed in both union and non-union productions with a deep understanding of the employment rules and regulations of both

Producer/Production Supervisor | 2015-Present (attached project page)

- Managed and monitored departmental budgets, collaborating closely with line producers and UPMs to track and control costs throughout the production process.
- Negotiated terms and agreements with vendors for the procurement of both purchased and rental assets.
- Supervised daily operations and optimized workflow within the production office to maintain productivity and smooth execution of tasks.
- Managed film and television department crew hirings including rate negotiations, managing daily manpower, and supervising hours throughout a project.
- Worked closely with department heads to manage equipment logistics, ensuring timely availability of necessary assets and their prompt return to create budgetary efficiencies
- Oversaw and approved payroll processing, verifying employee hours and ensuring timely and accurate compensation.
- Worked in alignment with studio executives to monitor and enforce compliance with studio policies and operational procedures.

iTunes Sessions Interviews | 2010-2011

- Wrote interviews for iTunes original session recordings and conducted the live interview recordings with the artists at East West Studios - bands included Metric, The Decemberists, Bon Iver, The Gaslight Anthem, and PJ Harvey

Segment Producer | 2000-2004

Fox Sports Net - Atlanta

- Wrote, produced and edited segments for the weekly magazine show SEC TV as well as nightly southeastern regional news shows
- Worked with both college athletic departments and teams to coordinate interviews with top division 1 athletes and coaching staff to create unique segments throughout the season
